Table with 8 columns: SYSTEM 1, SYSTEM 2, SYSTEM 3, SYSTEM 4, SYSTEM 5, SYSTEM 6, SYSTEM 7, SYSTEM 8. Each system row includes a table with columns 'PIANO' (Terra/Primo), 'N. LOCALE', 'MOD.', 'TGL.', and 'TGL.' to specify unit counts and models. External unit models like RYVQ18U, RYVQ14U, RYVQ12U, RYVQ10U, RYVQ8U, RYVQ6U, RYVQ4U, and RYVQ3U are listed.

LEGENDA HVAC: Technical specifications for VRV 4 outdoor units. It lists power (50.4 kW), capacity (18.5 kW), dimensions (685x1240x765 mm), and weight (320 kg) for the RYVQ18U model. It also includes details for indoor units (FXQZ05A) and their connection to the outdoor unit.

LEGENDA HVAC: Technical specifications for VRV 4 outdoor units (continued). It lists power (45.0 kW), capacity (14.7 kW), dimensions (685x1240x765 mm), and weight (320 kg) for the RYVQ14U model.

LEGENDA HVAC: Technical specifications for VRV 4 outdoor units (continued). It lists power (22.4 kW), capacity (7.2 kW), dimensions (685x1240x765 mm), and weight (252 kg) for the RYVQ12U model.

LEGENDA HVAC: Technical specifications for VRV 4 outdoor units (continued). It lists power (12.1 kW), capacity (5.0 kW), dimensions (685x1240x460 mm), and weight (95 kg) for the RYVQ10U model.

LEGENDA HVAC: Technical specifications for VRV 4 outdoor units (continued). It lists power (14.0 kW), capacity (6.0 kW), dimensions (685x1240x460 mm), and weight (95 kg) for the RYVQ8U model.

LEGENDA HVAC: Technical specifications for VRV 4 outdoor units (continued). It lists power (14.0 kW), capacity (6.0 kW), dimensions (685x1240x460 mm), and weight (95 kg) for the RYVQ6U model.

LEGENDA HVAC: Technical specifications for VRV 4 outdoor units (continued). It lists power (2.00 kW), capacity (0.50 kW), dimensions (55x426x329 mm), and weight (35 kg) for the RYVQ4U and RYVQ3U models.

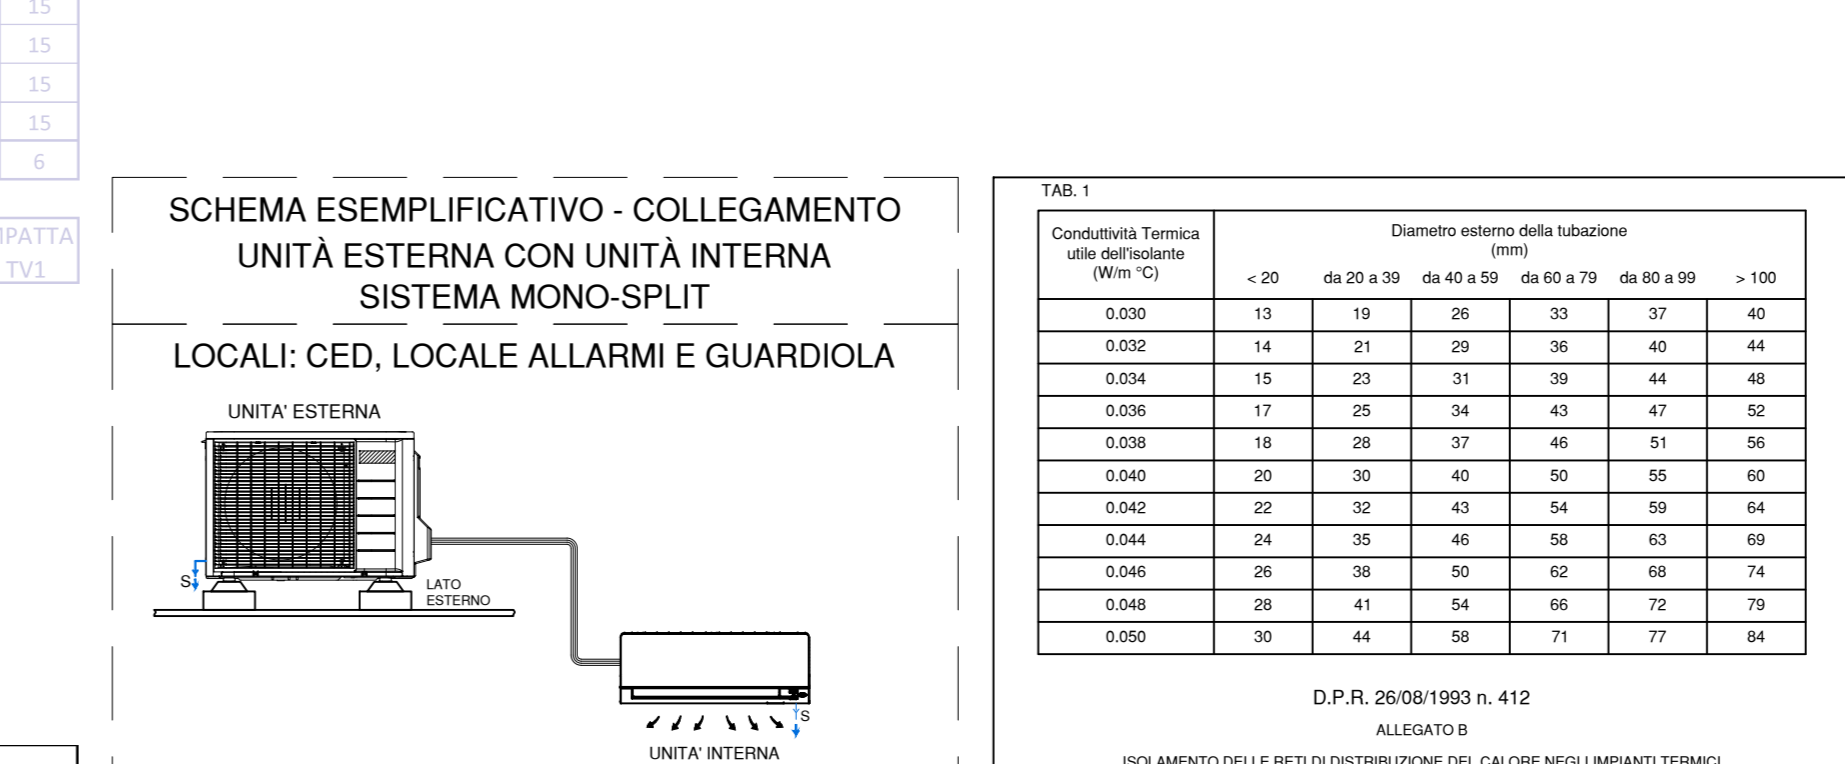

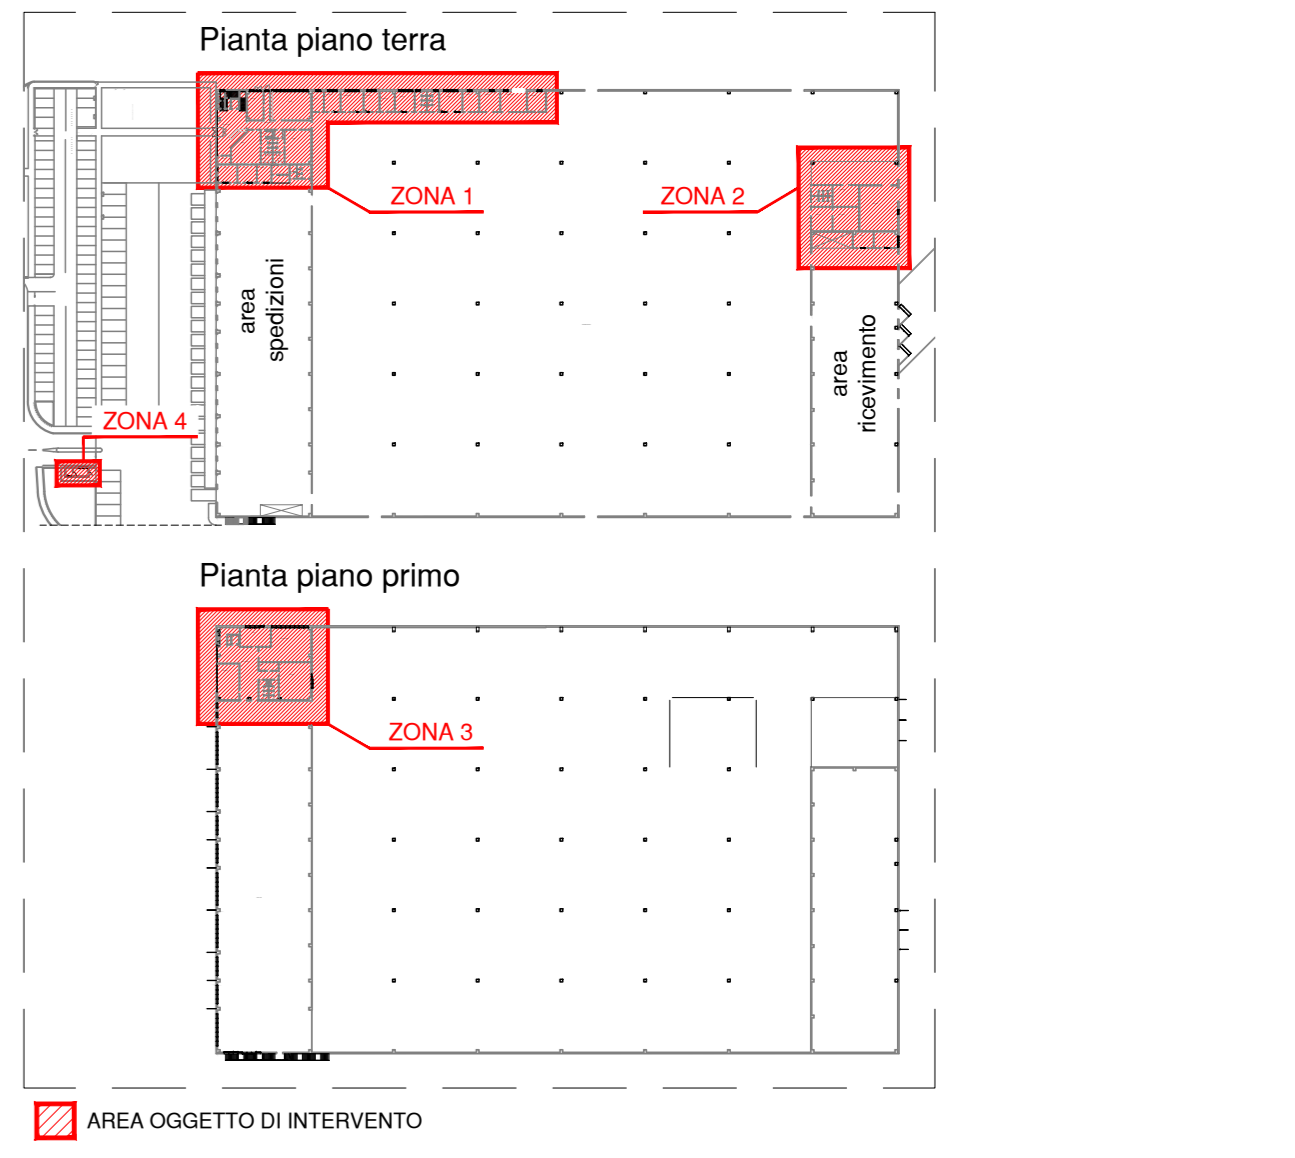

Table with 8 columns: SYSTEM 1 to SYSTEM 8. Each system row includes a table with columns 'PIANO', 'N. LOCALE', 'MOD.', 'TGL.', and 'TGL.' to specify unit counts and models.

PIANTA CHIAVE - INDIVIDUAZIONE AREE
OGGETTO DI INTERVENTO (non in scala)

LEGENDA HVAC: General description of the intervention area and the HVAC system components.

LEGENDA HVAC: Detailed specifications for the VRV 4 outdoor units, including power, capacity, dimensions, and weight.

LEGENDA HVAC: Detailed specifications for the VRV 4 indoor units, including power, capacity, dimensions, and weight.

LEGENDA HVAC: Detailed specifications for the VRV 4 indoor units (continued), including power, capacity, dimensions, and weight.

LEGENDA HVAC: Detailed specifications for the VRV 4 indoor units (continued), including power, capacity, dimensions, and weight.

LEGENDA HVAC: Detailed specifications for the VRV 4 indoor units (continued), including power, capacity, dimensions, and weight.
